

Electronic Locks

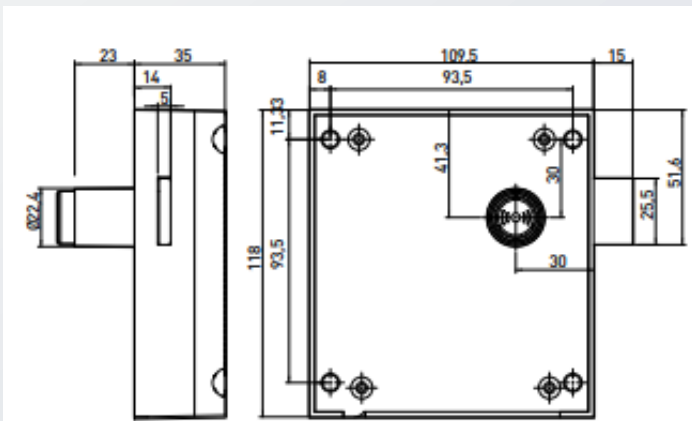

OTS ADVANCE

PRODUCT DESCRIPTION

OTS® ADVANCE RFID electronic locks provide the perfect complement to any access or management system. With easy operation via proximity devices such as keys, wristbands, and Wellness® keys, this is the technological alternative to mechanical locks.

DIMENSIONS

APPLICATIONS

- Gym
- Swimming Pools
- Office Buildings
- School

FEATURES

- **Multi-Technology:** Simultaneous support for Mifare Classic, Ultralight, DESFire, and NFC without firmware updates
- **Enhanced Security:** Features encrypted data for increased protection
- **Extended Battery Life:** Optimized for longer operational periods
- **Automatic Data Transfer:** Tracks battery and lock status, user activity, and provides traceability insights
- **NFC Wireless Programmer:** Offers wireless programming with options for stand-alone or PC-connected operation
