

## Swing Gate

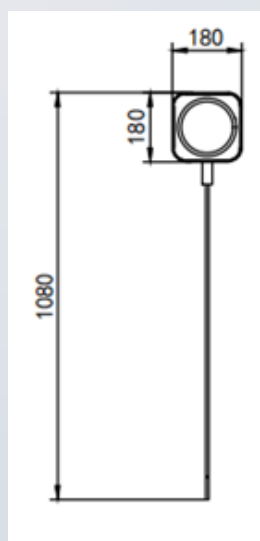

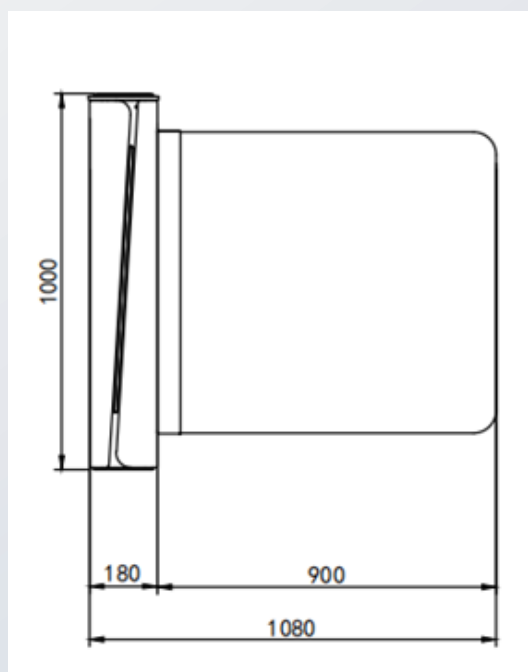

# ID GATE 1700

## PRODUCT DESCRIPTION

The ID Gate 1700 is an elegant swing gate designed for indoor use and is ideally suited for controlled access management in office buildings, fitness centers, and public facilities. It provides quiet and reliable operation and supports modern identification methods such as RFID, scanning, and facial recognition. Thanks to its high-quality design featuring aluminum and transparent elements, the system integrates seamlessly into modern interior architecture.

## DIMENSIONS

## HIGHLIGHTS

- **Robust, low-noise design for reliable continuous operation**
- **Supports both single-sided and dual-sided operation**
- **Automatic re-locking after a configurable timeout**
- **Automatic gate opening in the event of a fire alarm or power failure**
- **Infrared anti-pinch protection for enhanced user safety**
- **Ideal for fitness centers, spas, and health facilities**

## Accessories (Optional)

- **Remote Control (Wired / Wireless)**

## TECHNICAL DATA
